

Call for Poster Artists

The Agriculture and Food Fair of the U.S. Virgin Islands, Inc. is now accepting art submissions for our 2025 AgriFest poster. Whether you are world famous or an aspiring artist, seize the opportunity to represent the February 2025 event. A panel of judges including AgriFest board members will review submissions and select the artwork that best reflects the look and feel of the 2025 AgriFest. The selected poster artwork becomes the exclusive property of AgriFest and will be the icon for AgriFest 2025 event and related activities. The winning artist will be contracted at \$1,500 and will receive 25 posters from AgriFest 2025.

Theme

The poster should reflect the theme of the 2025 AgriFest: **From Soil to Soul, Nurturing VI Agriculture**. Please refrain from depicting carbonated beverages, weapons or any alcohol products in the artwork.

Deadline

The deadline for ALL entries is October 28, 2024, at 4:00 pm.

Why do I need to submit my printed poster by October 28, 2024, if the event isn't until February 2025?

We also will use the final artwork to market the event as the official poster of AgriFest 2025.

Poster Submission Details

Your poster should be in portrait orientation and the dimensions should be 18" x 24".

Is there a limit to how many posters I can submit?

Can I sell my poster submission?
